No. 430 P

Dated 17th January 1903

SIR,

With reference to para 2 of Government Proceedings No.5124-35 L.B.P 228 dated 20th September 1902, I have the honor to forward herewith a consolidated statement showing the amount sanctioned by me on the Probable expenditure statements received from the several disbursing officers of the Plague Department for the month of December 1902, and to request that you will be so good as to obtain the early sanction of government to a sum of Rs.3450/- as shown in the margin for the purpose noted against each item as all those items are beyond my power of sanction and to state that I have , in anticipation of government sanction, authorised the President, Mysore City Municipality to incur expenditure under item No. 1 the matter being one of an urgent nature.

Item no.		
1	Purchase of disinfectants	2640-0-0
	Sitting charges	600-0-0
2	Lettering charges	250-0-0
		250-0-0 + 600 + 2640-0-0 : 3450/-

2. I may here add for the information of Government that the amount sanctioned for December 1902, will be about the same as sanctioned for the month of November 1902, by deducting the two largest items viz. Rs. 5000/- and Rs. 3300/- already sanctioned by Government for constructing a Plague Hospital on the Kolar Gold Fields, and a Health Camp at Shemoga respectively, but included in the statement under reference and that the delay in the submission of this statement is due to the non-receipt of the probable expenditure statements from the Districts in time , the last that was received being from the Kadur District

on the

on the 4th December 1902, instead of before the date prescribed in para 1 of Government Proceedings under advertance.

3. I beg therefore to bring this fact to the notice of Government with a view to strict orders being issued in the matter for the punctual submi sion of the statements ~~at least~~ in future, as my several requisitions for their timely submission have been of no avail.

I have the honor to be,

Sir,

Your most obedient servant

J. A. Vinson
